- 1.2 Our General Terms and Conditions of Business shall apply in particular to the temporary letting of fair stands and the associated equipment, regardless whether the fair stands are of modular construction or have been made to specification. Furthermore, our additional services like workshops, coachings and IT services are subject to these General Terms and Conditions of Business.
- 1.3 Representations and notice of legal relevance made by the customer towards us after contract formation shall be made in written form in order to be valid.

2. Quotation, Order acceptance

- 2.1 The prices mentioned in our quotations are subject to change and freely revocable at any time up to the point at which an order is placed.
- 2.2 Unless items in our offer have been designated as sales products, they shall be exclusively items that we make available only on a rental base.
- 2.3 Detailed information on the listed items (e.g. dimensions, weights, technical data) and their sketches are descriptions and shall be considered approximately. Usual deviations and the replacement of components by equivalent parts shall be permitted to the extent its use for the contractual purpose isn't impaired.
- 2.4 The customer's purchase order shall be a binding offer that we may accept within four weeks after receiving. The contract is concluded by sending an order confirmation or an invoice (based on the customer's purchase order) to our customer.

3. Price, Terms of payment

- 3.1 All prices shall be exclusive of the value-added tax applicable on the day of invoicing.
- 3.2 Unless agreed otherwise, the prices do not include costs for technical connections (e.g. electricity, water, suspensions etc.), for approval procedures (e.g. structural calculation) or costs for any kind raised by organisers, venue operators or forwarding companies.
- 3.3 Payment of the purchase price shall be made immediately on receipt of the invoice – at the latest 4 weeks before the official start of setup – without any deductions, unless agreed otherwise. The timeliness of payment is determined by the date it has been credited to our account.
- 3.4 We reserve the right to raise a surcharge for orders and change requests at short notice. The related deadlines are mentioned in the offer documents.
- 3.5 Furthermore, we reserve the right to charge changes of stand sketches after the third change with 300.00 € per change plus value-added tax. After start of setup changes of the stand layout will only be made under the reserve of feasibility and upon additional charge.

4. Cancellation of contact

- 4.1 Customers cancelling their orders up to four weeks prior to start of setup without having the right of withdrawal shall pay a reimbursement of expenses amounting to 25% of the contract value (plus value-added tax). If cancelled two weeks prior to start of setup, the reimbursement amount shall be 75% and then 100%. The cancellation must be made in written form to keep the time limit.
- 4.2 The customer may request a reduction of the reimbursement if it can be proven that we had less expense. We allow credit for the saved expenses and those advantages, however, that we obtained by alternative use.

- 4.3 We shall be entitled to withdraw from the contract if contractual payments due are not made by customer, after setting a final deadline for payment of 5 business days and no payment is made within this grace period. We shall also be entitled to withdraw from contract if the customer breaches a contractual duty to pay regard to our rights, objects of legal protection and interests and we can no longer be reasonably expected to continue the contract. In all above cases, in which the customer has caused the reason for the declared cancellation, the right to assert further claims, notably claims for damages, remains reserved.

5. Delivery time, Acceptance

- 5.1 Our adherence to the obligations to deliver and perform requires a timely and proper fulfilment of the contract on the customer's part. If mentioned prerequisites are not met in good time or in full, the delivery time shall be extended in a reasonable manner.
- 5.2 Trade fair stands and/or other agreed services shall be completed and hand over in accordance with the agreement or in such a manner that it is available at the start of the event. If the remedy or replacement delivery fails on two occasions, the customer shall reserve the right to demand a reduction in price or rescission of the contract.
